The project was to design a small shop for the products of Samsung in Mashhad.

We proposed different alternatives to make the façade interactive. Such as using the client commercial logo on the façade pattern, or providing some openings in the façade to broaden the view to the city.

Mashhad, Iran, Professional Project, 2,280 sqm  
Arsh[4D] Design Studio  
2014

#### Responsibility :

Responsible for Designing Facade four alternatives for the façade and designed the Parametric Punched Facade in Grasshopper.
