1ST PRIZE 2ND PRIZE 3RD PRIZE HONORABLE MENTION

Tehran Department of Telecommunications decided to build a new headquarter in twin-towers. We came up with an idea to merge the functions of this two towers and proposed one tower taller than the other.

We added some angular and twisted white louvers to the façade.

Tehran, Iran, Professional Project, 93,300 sqm
Arsh[4D] Design Studio - competition
2011

Responsibility :

Assisted the principals to propose ideas for the form, prepared schematic design and design development documents and produced plans and sections out of the model. Also responsible for Modelling, Rendering and Post Production.
