| PUBLIC | | 2012 | | | | | | |

In the heart of Tehran there is an amazing green area with a large park, which is a great source for providing the fresh air for the city.

We proposed a smooth organic pedestrian pathway which leads the visitors to the museum. We suggested the buildings to be located under the pedestrian pathway and green surfaces.

Tehran, Iran, Professional Project, 50,000 sqm
 Karand Group
 Won the 3rd prize
 2014
